COMPANIES TRAINING DRIVERS

Focus on Your Business!

ProDriverU allows you to help train drivers without the operational hassles and costs of traditional CDL training

ELDT COMPLIANT: Meets ELDT “theory” requirements on all 30 + curriculum topics, including Class A, B and Hazmat.

ANY DEVICE: Accessible from any internet connection on mobile phone, laptop or desktop.

SELF-PACED: Drivers learn at their own pace using “bite-size” learning modules for adult students. Training is focused, effective and fast for most drivers.

TRUSTED AND APPROVED: ProDriverU is a respected resource used by thousands of students, plus drivers and companies throughout the country.

VISUALS AND DIAGRAMS: Simple photos and diagrams make learning CDL concepts easy.

TEST AS YOU GO: Tests for every topic to demonstrate that drivers achieve the required 80% theory scores.

DRIVER-FOCUSED: Designed to be flexible and practical with adult learners and CDL drivers in mind.

FMCSA REPORTING: Reports theory completion directly to FMCSA so drivers can take the CDL test.

COMPLETION CERTIFICATE: Provides documentation of ELDT completion for school or company records.

24/7 ACCESS: Drivers can train anytime, anywhere. Saves instructional training costs and offers driver convenience.

SIMPLE USER AGREEMENT: All-inclusive user agreement is simply based on driver enrollment.

AFFORDABLE: Enrollment-based pricing can save thousands of dollars.
